

What sets RAILBLAZA apart from its competition is the simplicity of our StarPort™ mount, the ease with which people fit it, and the diverse range of situations it's used in.

StarPort

890-03401511 Black (Single)
890-03400111 Black (Pair)
890-04400121 White (Pair)

- A unique and versatile mount used in a huge number of applications.
- Stylish and easy to fit. It can be surface or recess mounted on power boats, inflatables, sail boats, kayaks, ATVs, garages and many other applications...
- StarPorts can be horizontally or vertically mounted in minutes
- Includes a stylish locking slide for securing accessories firmly in place
- Gasket and bung reduces water ingress.

SidePort

890-03401411 Black
890-03401421 White

If you need to mount on a vertical surface, but require a horizontal port (or vice versa), the SidePort is the mount for you. Ideally suited for gunwales of smaller aluminium boats or vertical cockpit wells on kayaks. Fitted in only minutes, and sold with all necessary stainless steel fasteners.

RIBPort

890-03400411 Black
890-03400421 White
890-03400451 Grey

Add useful StarPort attachments to your inflatable with a stylish glue on pad. Comes complete with StarPort, and suitable for both PVC and Hypalon tubes. Compatible with all StarPort accessories.

Adaptors

890-02404311 Black

Attach to accessories to make them StarPort compatible, or bolt 2 adaptors together to make a male to male fitting which has been used to create a detachable system for tubes on kayak sailor kits and outriggers and has many other applications, enhancing the versatility of the StarPort system.

Extenders

890-03401611 StarPort Extender

Plugs into any StarPort, and has the same star shape on top with a clever little lock. The Fixed Extender gives you 125 mm (5 in) of clearance perfect for raising RAILBLAZA's Fillet Table, keeping fly rods clear of the water, and many other applications.

890-03401711 Adjustable Extender

Two rotating joints and a knuckle joint that tilts in 15° increments, the adjustable extender adds great versatility. Coupled with one of RAILBLAZA's accessories, it helps keep hold of your emergency torch, fishfinder, or any number of useful items.
