

OSPREY RIBs UK

are back and have a
new U.K. distributor!

If you are interested in a new boat, built in the UK, then the Osprey range, in sizes from 3.6M - 9.2M, will offer a proven seaworthy hull, with a very soft ride and impeccable handling.

The
choice
is
yours!

All boats will be supplied to customer's exact requirements ranging from a base hull and tubes up to a fully fitted outfit ready to use.

Please contact **Roy Bishop** or **Dave Page** and be assured of a *friendly, speedy response* to all enquiries.
