Event Safety Cover

This event will be run in accordance with RYA safety requirements and as set out in the Event Risk Assessment.

All competitors running boats with cockpit safety cells and restraints are reminded that they are responsible for their own safety and that in the event of a capsize their own survival depends on their ability to extract themselves from the boat. Limited safety cover at the event may be available to assist but all crews must accept that this assistance cannot be relied upon and should be considered as secondary to their own capacity for self-extraction . The RYA recommends that all crews in restraint boats take a scuba diving course such as provided by PADI or BSAC.
