A Sales Contract must be signed by the purchaser and MSV MARINE and accompany a deposit or US Government purchase order to constitute a valid Contract.
3. In the event the manufacturer of any item covered by this Quote, with the exception of the actual boat manufacturer, MSV MARINE, shall increase the selling price of such items to MSV MARINE in an amount of 10% or greater of the original price prior to completion of the boat, the price of such item enumerated herein shall be increased by an amount equal to the percentage of increase on such item which MSV MARINE shall be obligated to pay to such manufacturer. In the event, however, that the purchaser may be dissatisfied with such price change, he may, within ten days notice of such price change, cancel this order and receive his deposit back in full.
4. MSV MARINE reserves the right to make any changes to the model or design of any accessory hull, and/or part of any new boat without re-writing this Quote. MSV MARINE can not control non-MSV MARINE manufactured parts with reference to their changes to specifications.

6. The price of the boat and/or engine and/or trailer quoted herein does not include any tax or taxes imposed by any governmental authority prior to or at the time of delivery of such boat and/or engine and/or trailer unless expressly so stated, but the purchaser assumes and agrees to pay, unless prohibited by law any taxes, except income taxes, imposed on or incidental to the transaction herein.
7. MSV MARINE has made no representations nor makes any representations, express or implied, regarding the non-MSV MARINE manufactured equipment covered by this Quote or used herein, except that MSV MARINE will deliver to the purchaser good title to all said equipment free from all liens and encumbrances. Warranties by manufacturers of the equipment covered by this Quote are limited to such written warranties as may accompany the individual items of equipment ordered hereunder. No officer or other representative or agent of MSV MARINE is authorized to assume any other liability or obligation in connection with the sale of the equipment or materials covered by this order, and no other liability or obligation may be assumed.
8. In case the boat and/or engine and/or trailer covered by this Quote is a used or brokerage boat and/or engine and/or trailer, no warranty or representation is made regarding said used or boat and/or engine and/or trailer.
