

NATIONAL USED RIB SHOW

IN ASSOCIATION WITH
BoatsandOutboards.co.uk

30th March – 1st April 2012

Show Update

The latest big name to sign up to the National Used Rib Show is Raymarine, who will be exhibiting their latest model, the e7 Hybridtouch...

Raymarine®

...world leaders in marine electronics

The new e7 is perfectly suited to the RIB market, the multifunction display's sleek, low-profile, bezel offers maximum display size in a small footprint. Feature rich, the Raymarine e7 is equipped with three processors so you can enjoy stunning 3D graphics, brilliant video and instantaneous chart redraws. And with Wi-Fi streaming to Apple iPhones and iPads, Bluetooth connectivity and SeaTalkHS networking capability, the Raymarine e7 puts you in total control

THE RAYMARINE JAZZ NIGHT @ THE NATIONAL USED RIB SHOW

Raymarine are the main sponsor of the show's Jazz Night held at the Piranha Bar at Sparkes Marina on Saturday 31st March.

Details can be found on the National Used Rib Show website:

www.usedribshow.co.uk

We have been delighted by the takeup and interest from the general public, we are also pleased to announce these big names in the industry...
